	vocabulary words and apply this information by generating examples and non- examples. This information will later be placed on a chart that is divided into four sections to provide a visual representations to learners. Frayer Model 
Proceeding further <i>(What strategies will be used in the class to achieve the lesson objectives?)</i>	Day 1: (Learning engagement 2) Dictogloss: The facilitator will conduct one round of Model reading of the lesson ‘Hiawatha’ in the class.
